**CALL TO SERVE RESOURCES | PARTNERSHIP CONNECT**

**Partnership Connect** is the new, innovative networking tool for Call to Serve agency and school members. It allows users to share documents and communicate with other schools in the network. It also provides access to the Call to Serve Toolkit including archived webinar recordings. Email calltoserve@ourpublicservice.org to sign up for the site.

**USING PARTNERSHIP CONNECT**

**Partnership Connect** is the new home of the Call to Serve Toolkit. Find great resources to aid your federal service campaign in one organized, convenient location.

**Partnership Connect** also features a comprehensive events calendar with our trainings, webinars and conference presentations. Use it to keep us informed of your campus public service events.

The discussion boards located on Partnership Connect allow users to spread the word about best practices, express challenges and pose questions to other university and agency members.
